"That the Ministry of Health and Five Hills Health Authority increase medical clinic hours and physician services to 9:00 am to 5:00 pm Monday to Friday, and as per Five Hills Region Pamphlet detailing health care services in Central Butte, we would like the existing services to stay intact: NP, LPN, Lab & X-Ray, Diabetes Clinic, Public Health and, Addictions, First Responders Program and EMS".
    - ii. Why are Herbert, Beechy and Cabri allowed to operate their hospitals with a single physician and Central Butte is not allowed to operate with a single physician?
