

H1N1 Second Vaccination for Children Five Hills Health Region

The second H1N1 vaccination for children is for:

All children 6 months to < 3 years, and
only those < 10 years with underlying health conditions.
These may be given 21 days or more after the first vaccination.
You must bring your flu vaccine wallet card.

These second vaccinations will be held from Monday, December 7, 2009
onwards by appointment only. Please contact your local Public Health Office to
make an appointment.

People with questions or concerns are encouraged to call
HealthLine at 1-877-800-0002 to speak with a registered nurse.
For updates to our Region's clinic locations: www.fhhr.ca or 1-888-425-1111.
